Good Afternoon Mill Stream Families,

I hope this letter finds you and your families in good health, happiness, and safety as we welcome the warmth and vibrancy of spring. As we transition to this delightful season, I encourage you to seize the opportunity to enjoy the outdoors with your children, making the most of the weather that beckons us to engage in delightful outdoor activities.

Our school community is bustling with the energy of students learning, growing, and embracing the challenges of the third trimester. Your ongoing support is integral to their success, and we are here to assist and guide you every step of the way.

Should you have any questions or if there's anything you'd like to discuss, please don't hesitate to reach out to our dedicated office staff. We are here to ensure a smooth and enriching experience for your children throughout the remainder of the school year.

Wishing you a season filled with joy, warmth, and memorable moments with your loved ones.

Quick Hitters

- As the weather continues to warm up and students are putting away their snow gear for the year, please remember to dress your children in layers so they can be comfortable while outside. Dressing in layers will ensure they are able to remain comfortable while participating in recess, given the unpredictable temperatures occurring this time of year. Even though we are starting to put winter clothing away, please continue to send your students to school with boots, as our playground can still be quite muddy during the spring season.
- Our yearly Kindergarten Registration process has begun. The dates for this year's screening will occur on May 15th and 16th. Students who have attended Pre-K will be assessed on May 15th, while those that have not been enrolled in Pre-K will be assessed on May 16th. Please call our office to make an appointment for your child if they are **NOT** currently enrolled in Mill Stream's Pre-K Program. Lastly, if you know of any other children in our community that will be 5 years old, prior to October 15, 2024 please encourage them to reach out to the school as well. Kindergarten students will not attend school on those days, as our staff will be supporting the screening process.
- If your student is missing clothing, please remind them to check our lost and found by the main stairwell. Oftentimes, clothing is left unclaimed.
- When we have a school delay, breakfast is not served. Please plan accordingly.
- If you need to update the contact information you provided the first week of school, please notify the office. It is important that we can reach you if needed.
