

Dear Mill Stream Elementary School Parents and Guardians,

I hope this letter finds you well. We are excited to inform you that Mill Stream Elementary School's Winter Concert is just around the corner, and your child will be participating in this joyous event.

We understand the importance of your involvement and would love to see you there to support your child and the entire school community. The Winter Concert is a fantastic opportunity to celebrate the hard work and talents of our students. Following the concert, students will return to their classrooms for the remainder of the day. We kindly ask that children stay for the remainder of the day to minimize the disruptions in our school day. Parents that have children participating in both performances are encouraged to remain in the gym to attend both performances. If you do not have children in both performances, we ask that you exit to provide room in the gym for other community members entering the school for our second showing.
