Good Afternoon Mill Stream Families,

It's hard to believe that we're approaching the end of another school year already. It seems like just yesterday that we were welcoming students back for the start of the year, and now we find ourselves beginning to plan for the end-of-year activities.

As we reflect on the journey we've taken together this year, I want to take a moment to express my heartfelt gratitude to each and every one of you. I feel incredibly fortunate to be part of such a wonderful school community. From the dedicated teachers and staff to the caring families and students, it's been a privilege to work alongside each of you. Your commitment to our school and its students is truly inspiring, and I am grateful for the opportunity to serve as your principal.

Thank you once again for your unwavering support. I look forward to celebrating the achievements and milestones of our students as we wrap up another memorable school year together.

**Quick Hitters**

- Thank you for making sure your children arrive at school with the appropriate clothing for recess. Unfortunately, the weather continues to be unpredictable for spring and can still be a bit cold at times, thus dressing in layers has proven to be beneficial.
- If you have not signed up for Kindergarten registration on 5/16 or 5/17, please be sure to reach out to our office.
- Students will be participating in local and state assessments during the month of May. Students in grade K-2 will be using NWEA to complete our final round of local assessments in both literacy and mathematics, while our grade 3-5 students will be participating in the Maine Through Year Assessment.
- Please be on the lookout for end of the year activities (5th grade promotion night, field day, etc...). Information will be provided in the near future.
  - As always, if you have any questions or concerns please feel free to reach out to our teachers or myself.
  - Just as a reminder, student dropoff is at 7:45 am. Prior to that time adult supervision is not available. Please make sure your children are supervised prior to 7:45 am in order to keep everyone safe.
