## Principal's Pen

March 13, 2021 marked one year of when our Mill Stream community was forever changed by COVID-19. This last year has been far from easy, but what it has shown us is that change often brings to light new things we would have never thought about. Thank you has been said many times throughout the last year and will continue to be said. Thank you for being the strength for your children even when the world feels scary and uncertain, thank you for teaching your children and thank you for supporting your children and our staff as we all came back together this fall. Above all else, thank you for being valuable members of our Mill Stream community. We have a great deal to be thankful for!

Throughout the year please do not hesitate to contact teachers, Mrs. Lovell or myself with questions or concerns that may arise. When we work together, students will continue to have a great year!
