IMPORTANT INFORMATION:

1. Per a new executive order from the Governor of Maine, all individuals on school property including the parking lots and fields, **must be wearing a face covering**. This would be for walkers, parents/families, and staff when they are coming into the school or leaving the school. Thank you for your attention to this matter.
2. Mill Stream is an election site. On November 3rd, Election Day, the Superintendent of Schools has made this day a remote learning day for all Mill Stream students. We will not have students in-person on this day. Teachers will be in touch with students and families with more information regarding the expectations for this day. Food will be delivered on this day to families, as well.

Throughout the year please do not hesitate to contact teachers, Mrs. Lovell or myself with questions or concerns that may arise. When we work together, students will have a great year!
