## Principal's Pen

I wanted to be sure to take a moment to say thank you. Thank you for all that you do each and every day for our students. This year has been difficult for all of us and we could not do what we do each day without each and every one of you! Wishing you a healthy and safe holiday season.

## Cold Weather Reminder

Our students have come well prepared to be able to play outside during our cold days. Thank you so much for all of your help with this! This is just a reminder that our students go outside if the temperature is 10 degrees or warmer with the wind chill.

## **PTG News**

The PTG has wrapped up 2020 with two very timely projects.

First, our Cold Weather Gear Drive far exceeded our expectations. The greater Mill Stream community just keeps rising to the occasion! We were able to provide North El and Margaret Chase Smith schools with much needed items, as well.

Secondly, we met last week and put together Winter Goody Bags for each student, including our remote learners. It was important to our members to send each child home for the holidays with new reading opportunities. The Children's Book Cellars in Waterville did a fantastic job making recommendations, we hope your readers agree!

The PTG will resume monthly meetings in February, watch this space for those details.

We wish you all the happiest of holidays!
