Thank you to all of our families that were able to join us for parent/teacher conferences. There is no way we could do what we do without each of you!

Thank you to our PreK and K team of teachers for a fun evening on December 5th. We had several families attend our event and enjoy a time with the Grinch.

This year, MSES will be collecting aluminum can tabs for Ronald McDonald House Charities. Their mission is keeping families together and near the medical care they need through a network of local Chapters. If you would like to donate tabs to the Ronald MacDonalld House Charities, please send tabs to MSES in care of Mrs. Dorr. Thank you in advance for your generosity!

Throughout the year, please do not hesitate to contact teachers, Mrs. Lovell or myself with questions or concerns that may arise. When we work together, students will have a great year!

PTG News

The 10th Annual Craft Fair on 11/23 was a great success! Raising over \$3K, \$800 of which will be supporting the Scholarship Fund. A robust conversation at this month's PTG meeting resulted in many great ideas to freshen up the event in 2020. Thank you to everyone that shared their time and energy to support the PTG during its largest annual fundraising event.

Teacher Appreciation Potluck was a wonderful event to offer warm meals to our staff during a whirlwind day of parent conferences. Those of us who popped in throughout the day had the pleasure of sharing lots of laughs and seeing the joy that our families generated by putting on such a spread for them. They were genuinely moved!

Cookies & Canvas paint event looks to be a fun afternoon for our families! It is taking place on December 8th from 3:00-5:00 p.m. It also marks our final event of 2019. If you have any questions, please email Brandi at bireland@aol.com for assistance. See you Sunday!

Mark your calendars, our next PTG Meeting is Jan. 22 at 4:30 p.m. in the library. We are always looking for new voices so please join us. (Kids are welcome too!) We will be discussing the Spring Event Calendar and a new PTG Classroom Helpers program opportunity.
