Good Afternoon Mill Stream Families,

As we move past Thanksgiving and towards the winter holidays, I wanted to take a moment to say thank you for all you do each and every day to support the students and staff at MSES. Your continuous flexibility and understanding is certainly appreciated by our staff and teachers.. Furthermore, I want to wish you and your family a very healthy and safe holiday.

Quick Hitters

- We had our first COVID 19 vaccination clinic on 11/30 for students at MSES. The second dose of the vaccination will occur on 12/20 at MSES.
- Thank you for sending your children to school well prepared for the winter weather and recess at school. As a reminder, students should have jackets, gloves/mittens, hats and snow pants to wear during outside activities. We will go outside if the temperature is 10 degrees or warmer with the wind chill considered.
- Please review the Delayed Openings and Winter Storm Cancellation document that accompanies this letter.
- 4th grade students should be working on their Maine Day Parade floats in preparation of their presentation on December 13th. Grade 4 teachers will be reaching out with the details of this exciting event.
- Mr Lawson sent a letter home with students regarding the specifics of our Winter Concert occurring on December 20th. Please reach out if you have any other questions or concerns.
